

Dedicated to a continuing rural atmosphere

**From The Chair**

By Mid Hoppenrath

Happy New Year! As usual, there are many issues confronting our community so it is more important than ever to stay informed. The Escondido Union High School Board of Directors is still considering the site in Harmony Grove for the new 2,000+ student high school, complete with lighted playing fields for spectator-attended games and lots of concrete parking spaces for all that new traffic. If this doesn't sound rural to you, attend the next school board meeting January 18th and complain!

On a happier note, New Urban West has decided to restore the old white DeRaadt farmhouse, built in 1937. Tentative plans call for it to be eventually moved into the Harmony Grove Village Square. It may be available sooner, however, for community meetings. Any residents interested in forming a historical society, let any Board member know.

More good news. . . those of you living within 1,000' of a fire hydrant should contact your fire insurance agent. You may be eligible for a big reduction in your rates because our outstanding Elfin Forest Harmony Grove Fire Department has improved its ISO rating.

Soon you'll be seeing poppies popping out all over, thanks to the America in Bloom committee. We need to all work toward beautifying Elfin Forest, cleaning up our properties and planting flowers, so we can win the contest this year. Think flower power!

## Community Service Awards

By Evelyn Alemanni

So many people in our valley do so much and, at the January 5<sup>th</sup> town council meeting, we will thank them and acknowledge their efforts. Here's your chance to nominate your friends and neighbors for their contributions to a maintaining a continuing rural environment. There's no limit to how many people you can nominate, but town council board members are not eligible. Deadline is December 31.

Natalie Chaffer has graciously volunteered to coordinate the awards again, so please send nominations to her at [natalie@chaffer.us](mailto:natalie@chaffer.us) or call her at 760-744-7233. Please be sure to tell her the name of the person, why they are being nominated, and their phone number.

## Community Foundation Elections

By Betsy Keithley, Secretary EFCF

The Elfin Forest Community Foundation was established in 1995 with the mission to enhance the quality of rural life in the community of Elfin Forest. The net invested assets on November 4<sup>th</sup>, 2004 were \$345,321. The Foundation provides funds for project supplies or community events.

It's time again for annual elections for Board membership. The election will occur in February, 2005 at the time of the Town Council and Fire Board elections. The term is three years with a minimum of two face-to-face meetings per year to review grant applications that are due in April and October.

If you would like to run for election, please submit to the EFCF a letter so stating and include signatures from two community residents. Also include a short paragraph about your community experience or interests that will be included in the February issue of the *chaparral*. Just mail to, or drop off your letter at the fire station mail-drop-slot.

If you have any questions, call a member of the board, Steve Barker, Mike Vallee, Betsy Keithley, Martha Blane, Virginia McManus, Trey Fairman, Patti Newton, Sue Hill, or Frank Twohy or contact Betsy Keithley at [keithley@ucsd.edu](mailto:keithley@ucsd.edu). See the EFCF web site: [www.elfinforestcommunityfoundation.org](http://www.elfinforestcommunityfoundation.org) for more information.

## Community Foundation Grants

By Betsy Keithley, Secretary EFCF

The board of directors of the Elfin Forest Community Foundation met on November 4<sup>th</sup> to evaluate four grant proposals submitted by the October 15th deadline. The applications requested about \$7,000. The funded projects are (in no particular order):

1) Mid Hoppenrath Town Council, funds to send the *chaparral* to all Elfin Forest and Harmony Grove residents twice a year free of charge. \$600.00

2) Eric Anderson Town Council, America in Bloom Committee received money to provide our entry fee, lodging for judges and community signs. \$1000.00

3) Jan Denny Town Council, funding for the preparation and mailing of a community survey. The information will be used by the Town Council in representing the community. \$440.00

4) Jan Denny Town Council, money to provide house addresses on Elfin Forest Road (EFR) for all homes that have EFR addresses but are on unnamed roads that branch off EFR. Boulders with numbers at the intersections of these off-shoot roads will help identify the location of the homes. \$4466.00

Congratulations to all the recipients and the community thanks you for your involvement and commitment to helping maintain the rural environment of Elfin Forest and Harmony Grove.

## Elfin Forest Garden Festival 2005

By Evelyn Alemanni

Plans for our garden festival (Saturday April 23<sup>rd</sup>, 2005) continue to take on momentum. Gardens on the tour this year have been in magazines such as Sunset, Better Homes and Gardens, San Diego Home/Garden Lifestyles, and more. Order your tickets on the website now! Tickets are limited, so get yours today.

You can see details of the garden festival at [www.elfinforestgardens.info](http://www.elfinforestgardens.info). If you'd like to volunteer to help with the event in any way or to be a garden marketplace vendor or sponsor, please contact me at 760-471-7224 or [alemanni@allea.com](mailto:alemanni@allea.com).

## What's Happening At The Fire Department

By Captain Dawn Pettijohn

A grant submitted to the Volunteer Fire Assistance Program through the California Fire Chiefs Association requests new dash mounted VHF mobile radios to provide us the ability to access all the radio frequencies needed for communications with state and local fire agencies on mutual aid wildland and disaster responses. Previous grants addressed our need for handheld VHF radios.

We have final approval of our request to use the WMD (Weapons of Mass Destruction) FY03 Part II grant money for station alerting. We currently depend on alphanumeric pagers to alert us to a call. This can be an issue when personnel are sleeping at the station at night or when we use noisy equipment. Station alerting will provide a visual and audible alert throughout the station for call response.

December training includes continuing education for the Automatic External Defibrillator/Combitube training with Russ Fraser of Palomar Medical Center and our annual EEOC Unlawful Harassment class. The final business meeting and Christmas party this year includes our Fire Auxiliary and Board of Directors. This should be a fun event and a chance for us all to get together and socialize.

Welcome back PFF/Paramedic Matt Sampson! Matt left in January to go to Paramedic School and now rejoins the Department. We're thrilled at his return and his medical expertise will be of great benefit.

Congratulations to Capt. John Rayes, FF Mike Shea, FF Ryan Parker, PFF Daniel Twohy, PFF Trevor Whitehead, PFF Lance Candelaria, PFF Rodney Ortiz, PFF Matthew Conroy for their 24 hour certification as Swiftwater Rescue Technician 1. This brings our current staffing of Swiftwater trained personnel to 17. We take swiftwater hazards very seriously and strive to maintain an effective number of people trained in river and flood water rescue.

Luckily, the weather has helped us to avoid any catastrophic fires. As we reflect, we see a year of growth, accomplishment and success. A year of a forward thinking Department that knows where we need to go and has a plan to get there. From all of us at the Elfin Forest / Harmony Grove Fire Department, we wish you a safe and happy holiday season.

## Bylaw Changes Require Community Vote

By Jan Denny

The Board has evaluated its operating procedures and discussed ways to improve its effectiveness in our community. As a result, we have proposed updates to our Bylaws and posted them on the Town Council website: ([www.efhgtc.org/bylaws.htm](http://www.efhgtc.org/bylaws.htm)).

These changes must be put to a vote of the residents of Elfin Forest and Harmony Grove at the election in February. All content changes are numbered as footnotes.

The vote will ask whether there are any numbered changes that should not be accepted. Note that the Town Council refers to everyone who owns property in Elfin Forest / Harmony Grove and is eligible to vote on local issues being addressed by the Board.

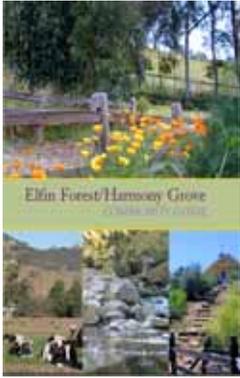

The following changes are proposed:

1. Clarification of requirements for membership in the Town Council and eligibility to vote on Town Council issues, specifically anyone whose name is on a title.
2. Statement that the Board will not represent communities outside the CSA107 border.
3. Update to reflect how meetings and agendas are communicated (via the website and the Chaparral newsletter), versus the notice board at the fire station.
4. Removal of the requirement that Town Council members register with the Secretary of the Board.
5. Clarification of the procedure to elect a Board member and appoint a Board officer.
6. Clarification on the Board's oversight role regarding committee activities.
7. Definition of activities that constitute a conflict of interest.
8. Procedure to address community input

Please take a moment before the February elections to review the changes to our bylaws.

## Community Guides Are Here – Special Offer

By Evelyn Alemanni

Our brand new community guide is here and will be available at all town council meetings. This is a beautiful, keepsake edition with nearly 200 color photos showing our community's past and present. They make wonderful gifts and an indispensable marketing tool for realtors. It provides resources for rural living, a history of our

community, and much, much more. The price is \$25 or five for \$100. *If you ordered your community guide already, pick it up at any town council meeting.*

**When you renew your newsletter subscription for two years, you can purchase the community guide for \$20. Renew for five years and the guide is yours for only \$15.**

## Just Moved Here?

If you just moved here, contact Karen Gardner 760-744-9500 to get your free six month subscription to the newsletter and discounts on town council merchandise.

## Homeowner Resources

A Homeowner's Guide to Fire and Watershed Management available for free download at [www.sandiego.gov/water/conservation/index.shtml](http://www.sandiego.gov/water/conservation/index.shtml).

Also, a CD with garden designs and listings of drought tolerant plants is available at the OMWD office. It is called Southern California Heritage Gardening Guide. Info at [www.bewaterwise.com](http://www.bewaterwise.com).

## Zoning Changes In The Works

By Jan Denny

The Town Council is working with New Urban West to solicit the following zoning changes from various county agencies. We believe these changes will help us preserve our rural lifestyle:

1. **Department of Public Works:** Re-classify Country Club Drive from 4 lane collector to 2 lane collector within the New Urban West project.
2. **Department of Public Works:** Re-classify Harmony Grove Road west of Wilgen Road and Elfin Forest Road from Harmony Grove Road to the City of San Marcos boundary from 4 lane collector to 2 lane collector.
3. **Department of Planning and Land Use:** Allow no further quarrying in Harmony Grove.
4. **Parks & Recreation:** Dedicate multi-use trails to the county.
5. **Parks & Recreation:** Specify that the Equestrian Park is for the local community, the trail head is for horseback riding, and both are to allow only day use, with no overnight parking.
6. **Parks & Recreation:** Prohibit formal playing fields for organized sports. Instead provide multi-use community parks with no night lighting that can be used informally for sports or other recreational activities.
7. **Department of Public Works:** Reduce exterior lighting to a level consistent with a rural area to maintain dark skies.

Feel free to contact a member of the Town Council with your comments on these items ([www.efhgtc.org](http://www.efhgtc.org)).

## Garden Club Notes

By Teri Brand

The next Elfin Forest Garden Club meeting will be on January 22<sup>nd</sup> at 10 AM. We'll meet at the Elfin Valley Nursery. Everyone is welcome. Please bring a chair if you wish to sit. We'll take a tour of the nursery and talk about plans for future meetings. You can check the dates, times, and topics for meetings on the town council website, [www.efhgtc.org](http://www.efhgtc.org).

Longtime Elfin Forest resident Max Altmann donates \$1000 to the upcoming Elfin Forest Garden Festival

## A Grand For The Garden Festival By Evelyn Alemanni

A few weeks ago, I was at Kinkos getting signs made for our America in Bloom effort, when a lady behind me in line insisted the signs must be for the Garden Festival, because she recognized the elf. It seems that almost weekly, someone I've never before met says something to me about the Garden Festival without any solicitation.

At the town council holiday party, longtime Elfin Forest resident Max Altmann donated \$1000. Max said, "I want to thank the town council for all it does and the Garden Festival does so much for the community." Max and his late wife, Esther, were citizens of the year in 1987. Max also promised additional help to cleanup Questhaven Road before the garden festival.

New Urban West representative Kathleen Humphries also made a \$1000 donation. We are so appreciative of this help and support. These funds help with the promotional materials, mailings, and all the upfront costs of the event.

## America in Bloom Turf and Groundcovers

By Evelyn Alemanni

This is the fifth in a series of articles on Elfin Forest's 2005 entry in the America in Bloom contest

([www.americainbloom.org](http://www.americainbloom.org)).

In May, 2005, we will be judged on eight criteria: community involvement, tidiness, heritage,

environmental awareness, turf and groundcover, floral displays, landscape, and urban forestry. In 2003, we received high marks in the turf and groundcover category. How can that be, when most of us don't have big lawns? In keeping with the rural character of our community, we need to remember that native chaparral can be considered groundcover. So can wildflower meadows. Using appropriate groundcovers wins points. Did you know that lawns are among the most environmentally unfriendly plantings you can have? They require more maintenance than other plantings, use more fertilizer, pesticides and herbicides, all of which can pollute the groundwater. The pollution created by mowers and leaf blowers diminishes our air quality. When it comes to lawns, less is definitely more.

In this category, judges will be looking for nicely mowed lawns, choices of groundcovers appropriate to the climate, and good maintenance in all areas.

To keep up to date on who's on the AIB committee and what we're doing, check the town council website, [www.efhgctc.org/aib.htm](http://www.efhgctc.org/aib.htm). If you would like to help in any way, please contact Eric Anderson at [eric@seedcoseeds.com](mailto:eric@seedcoseeds.com) or 760-471-5850. Judging will be in early May 2005, so we need to get busy now!

## On The Trail

By Nancy Reed

Danielle (Dani) Gradisher, pictured at the Bear Valley Springs competitive trail ride on Lyric, is currently ranked third in region 2 of the National American Trail Riding Conference, junior division. This year, Dani and Lyric have logged over 100 miles in competition at both CTR and endurance rides.

Dani and Lyric have been very busy training as general wisdom states it takes 3 training miles to successfully complete one competition mile. Fellow Elf, Corrine Siegal also competes with Dani on her Welsh/Connemara cross pony Merryleggs. Both girls have learned horse and people care, good sportsmanship and even Shakespeare while seeing southern California from the back of their equine partners. If you are interested in CTR or endurance go to [NATRC.org](http://NATRC.org), [AREC.org](http://AREC.org) or contact Dani's mom, Nancy Reed at [nancy@elfinforest.net](mailto:nancy@elfinforest.net).

## Town Council Elections in February

By Evelyn Alemanni

February is the month for town council, fire board, and community foundation elections. Why not make this the year that you run for a position on any of these boards. You get to find out first what's going on in the community, make new friends, work on interesting projects, and make a difference in a big way. We need a few smart, civic-minded people to help out.

Nominations for the Elfin Forest/Harmony Grove Town Council Board will be taken at the town council meeting on January 5<sup>th</sup>. The Town Council Board consists of nine members who work on a variety of community projects.

The time commitment is two meetings each month, help with the 4<sup>th</sup> of July parade and picnic, and to lead at least one or two special projects (you don't have to do it yourself!) Terms are for two years.

If you have any questions, please contact any of the current board members.

## January In The Garden

By Evelyn Alemanni

Did you get a nice gift certificate to a local nursery for Christmas? Now's the time to use it. January is the best month to get a head start on your summer garden by shopping for bare root plants. That includes roses, deciduous fruit trees (apples, pears, peaches, plums, etc.), strawberries, and more. Elfin Valley Nursery has received their bare root roses; they have 475 varieties. You can check the availability list at [www.sunshinegardensinc.com](http://www.sunshinegardensinc.com). When you bring these plants home, put them in a bucket of water for an hour or so, and then plant them right away! Add a little humate and mycorrhizae to the planting hole and you'll see a big difference. (Check [www.marilynsown.com](http://www.marilynsown.com) for these products.)

### Maintenance

No need to water unless several weeks pass without rain.

Deadhead faded flowers.

Continue applying snail and slug bait.

Prune rose bushes and spray with dormant spray.

Spray deciduous fruit trees with dormant spray.

Protect plants from frost.

Pull emerging weeds or spray with Roundup now to avoid lots of work later.

---

### Plant Now

Plant bare root roses, trees, strawberries, raspberries, blackberries, shrubs.

Plant tulip bulbs, gladiolas, iris tubers.

Plant camellias and azaleas.

Plant ornamental trees like flowering plum, acacia, magnolia.

Sow seeds or plant seedlings of winter vegetables.

Plant spring color - pansies, Iceland poppies, stock, larkspur.

Water newly planted items.

Buy seeds for summer flowers and vegetables to start indoors now.

---

### Fertilize

Feed cool season lawns.

Fertilize citrus, avocado, berries and grapes.

Peace Rose. Photo copyright Evelyn Alemanni.

## New Urban West, the builder of Harmony Grove Village,

has been busy meeting with residents in Eden Valley, Harmony Grove and Elfin Forest. NUWI is working with the residents to successfully implement these requests. A few of the requests are:

- Trails dedicated to the County of San Diego.
- Quarry- no future quarrying operations.
- Dark Skies.
- Open Space- No soccer, No baseball fields, No night lights other than the minimum required for security.
- Bus stop in Harmony Grove Village.
- Re-classification of Country Club Drive from 4 lane collector to 2 lane collector on site.
- Re-classification of Harmony Grove Road and Elfin Forest Road from 4 lane collector to 2 lane collector.

Working together we will strive to incorporate all of the above requests into Harmony Grove Village.
